

PAVEEZZI COMPOSITE FLOORING WARRANTY AND CONDITIONS

PAVEEZZI NZ Limited warrants SPC flooring against manufacturing defects and the stated performance criteria herein and will remain an integral part of the flooring system for the period of the warranty for the relevant period provided.

The benefits conferred by this warranty are in addition to, and not in substitution for, any other rights and remedies given to consumers in relation to the goods under New Zealand Consumer Law. Under the PAVEEZZI NZ Limited SPC Flooring Limited Warranty, we warrant to the original retail purchaser of the products from the date of the original purchase for the applicable period set forth below that:

- Warranty applies to floors installed in accordance with the relevant PAVEEZZI SPC Flooring installation instructions.
- Warranty applies to floors maintained as per PAVEEZZI SPC Flooring Care & Maintenance Guide.
- Warranty applies to residential indoor applications only.
- This warranty is not transferrable and applies only to the original purchaser.
- Warranty applies to new, first quality flooring.
- In normal household conditions or a light commercial indoor setting, when installed and maintained according to our recommended maintenance guide, the design layer of the floor will not wear through, fade from normal sunlight or artificial lighting, or stain. Gloss reduction does not constitute "wear."
- The floor will resist topical water damage - planks will not swell, delaminate, or peak at seams due to topical spills where liquid is wiped up accordingly and floor is allowed to dry completely.
- The floor will be free of manufacturing defects when purchased in its original manufactured condition.
- In normal household conditions or a light commercial indoor setting, the floor joints will remain secure.

All warranties under this warranty guide are made subject to the following conditions:

- The flooring must be installed in accordance with the installation guidelines provided and cleaned, maintained and cared for in accordance with the cleaning and care instructions provided.
- Flooring installed with known defects is not covered under this warranty. All planks must be inspected for possible, recognisable defects before and during the installation as any right to claim under warranty becomes invalid after planks with visible defects have been installed. Warranty claims can only be accepted if the planks were delivered in its original packaging.
- The surface wear or damage must not be the result of abusive conditions, misuse of the product, freight damage, modification, alteration, repair or service of the product by anyone other than the authorised PAVEZZI NZ Limited representative, improper care or maintenance (refer to provided care and maintenance guidelines), or accidents, such as but not limited to severe impact, scratching, cutting, negligence or chemical damage. Note that gloss reduction is not considered surface wear. The surface wear must be readily visible from the distance of 6 feet, measuring at least 1 square inch. Wear-through at the edges of the product is excluded from the warranty.
- According to proper installation guidelines, flooring must have been installed in a dry, climate controlled, indoor, residential environment. A moisture test must be performed to determine if excessive moisture exists in the subfloor. The manufacturer is not liable for the performance of the subfloor. This warranty excludes damage in the subfloor or underneath the flooring due to water, moisture, mildew, and including but not limited to hydrostatic pressure.
- Approved accessories must be used to validate warranty. Please contact your nearest dealer or PAVEZZI NZ Limited directly for more details.
- Moldings and accessories are not covered under this warranty.

Waterproof Warranty

PAVEZZI SPC Flooring is waterproof product. It will not be aesthetically nor structurally affected by exposure to a reasonable amount of water from mopping or household spills.
